1 When does insurance cover commence and when does it terminate?

- 1.1 Insurance cover commences when the *cardholder* received the *card* and is granted to *insured persons* if the *card* relationship between the *cardholder* and the *issuer* exists in accordance with the General Terms and Conditions of the *issuer*. When claims are made, the *insurer* shall enquirer of the *issuer* if such an arrangement exists.
- 1.2 Insurance cover for certain benefits may be subject to time limits. Please note the details set out in the *SCI*. In cases where insurance cover is subject to time limits, the day of arrival and the day of departure are each regarded as a single day.
- 1.3 The insurance cover shall end in every case at the end of the *card* relationship in accordance with the General Terms and Conditions of the *issuer*. For events that have already occurred at that time, insurance benefits will still be provided even if the resulting loss occurs after termination of the insurance cover.

2 In what circumstances will cover not apply, or only limited cover apply?

2.1 Similar claims

With the exception of the death and disability benefit under Transport Accident Insurance or other lump-sum insurance, the following applies: If the *insured person* is entitled to claim from another insurance contract (voluntary or obligatory private or social insurance), the cover provided by the *insurer* shall be limited to the portion of the insurance benefits that exceed those of the other insurance contract. In overall terms, costs shall be reimbursed only once.

2.2 Third-party benefits

If the *insurer* has provided benefits for a claim that was insured by another *insurer*, then these shall be treated as an *advance*. The *advance* shall be repaid by assigning the claims of the *insured person* against the other liable *insurer* to the *insurer*. The assignment shall be performed in place of the payment, and shall have the effect of discharging the obligations of the *insured person*.

2.3 Exclusions

Apart from the limits and exclusions listed in the *SCI* without exception no insurance cover is granted for losses:

- 2.3.1 that are intentionally caused by the *insured person*;
- 2.3.2 that the *insured person* causes by or during the wilful exercise of an offence or crime, or the wilful attempt to exercise an offence or crime;
- 2.3.3 arising through acts of war or civil war, whether war is openly declared or not;
Entitlement to benefits from Transport Accident Insurance exists, however, if the *insured person* is taken unaware by such acts of war or civil war while

on a trip *abroad*. Entitlement to benefits is cancelled at the end of the 14th day after war or civil war commences in the national territory of the state in which the *insured person* is staying. This extension is not valid for trips to or through states in whose territory war or civil war already prevailed. It also does not apply to active participation in war or civil war.

- 2.3.4 by nuclear energy;
- 2.3.5 that are directly or indirectly caused or caused in part by incidents with atomic, biological or chemical substances;
- 2.3.6 as a result of natural disasters, terrorist attacks or civil unrest. Civil unrest is defined as a significant share of the population gathering in a manner that disturbs public peace and order and committing acts of violence against persons or property.
- 2.3.7 Also excluded are costs that would have been incurred if the *insured event* had not occurred.
- 2.3.8 Embargo clause
The insurance cover shall lapse insofar and as soon as a payment by the *insurer* to the policyholder or the beneficiary is opposed by coercive measures applicable under the Federal Act on the Enforcement of International Sanctions (Embargo Act of 22.03.2002, SR 946.231). Economic, trade or financial sanctions or embargoes imposed by the European Union or the United States of America are deemed equivalent to coercive measures under the Embargo Act, provided that European law is applicable in the individual case and no Swiss legal provision precludes such denial of benefits.

3 What is the correct response to an insured incident or to an insured event? (obligations)

The *insurer* cannot issue a benefit declaration and consequently cannot provide benefits without the cooperation of the *insured person*.

The following obligations are imposed upon the *insured person* (in the event of the death of the *insured person*, the persons who are entitled to the lump sum payable at death are treated as equivalent to the *insured person*):

3.1 General:

- 3.1.1 to endeavour to the best of his ability to avert and reduce the damage;
- 3.1.2 to inform the *insurer* without delay, comprehensively and truthfully, providing all details about any circumstance that may lead to benefits being owed by the *insurer*;
- 3.1.3 to submit to the *insurer* the documents listed in the claims table (part V) or to take steps to have these drawn up;
- 3.1.4 to permit the *insurer* to make reasonable enquiries

to ascertain the cause and the scope of benefits payable;

- 3.1.5 to heed instructions issued by the *insurer*;
 - 3.1.6 to authorize third parties (e.g. physicians, other *insurers*, insurance carriers and authorities) to give information required if necessary;
 - 3.1.7 to inform the *insurer* about the existence of other insurance policies providing cover for an *insured event* and of any claims made on such policies and indemnities received and of any obligation to effect compensation resting on third parties;
- 3.2 Depending on the insured benefit in question:**
- 3.2.1 to consult a physician immediately after an *accident* that in all probability will lead to benefits being payable;

- 3.2.2 to follow the physician's instructions;
- 3.2.3 to submit to examinations by physicians acting on behalf of the *insurer*;
- 3.2.4 to report cases of accidental death within 48 hours even if the *accident* has already been reported;
- 3.2.5 to furnish the *insurer* with the right to have an autopsy performed by a physician appointed by the *insurer*, where appropriate and necessary for the settlement of a claim, after an *accident* for which death benefit is claimed;
- 3.2.6 to report losses caused by crimes, fire or explosions without delay to the police at the competent police station and receive an authenticated copy of the report;
- 3.2.7 to report losses of luggage to the local police nearest to the place where the loss of luggage occurred within 24 hours after the loss is determined and to inform the travel company or hotel that was holding the luggage immediately and to have this notification confirmed in writing;
- 3.2.8 to take all measures necessary and reasonable to recover lost or stolen objects and to identify, apprehend and prosecute in the courts the guilty party(ies).

3.2.9

4 What are the consequences of non-observance of obligations?

If a breach of the obligations occurs after an *insured event*, the *insured person* shall lose the entitlement to the insurance benefit and the *insurer* shall be entitled to curtail or reject benefits, unless he did not breach the obligation either wilfully or through gross negligence.

In cases of gross or wilful negligence, the *insured person* shall retain his entitlement to the insurance benefit provided the breach of the obligations has neither influenced the determination of the *insured event* nor the assessment of the benefits due.

5 When does a claim for benefits expire?

The statutory limitation period of five years applies to claims arising out of the insurance contract. The

period starts when the *insured event* occurs.

6 Which court is responsible?

- 6.1 The place of jurisdiction for disputes brought by the *insured person* or the legitimate claimant in conjunction with these insurance terms and conditions may be chosen as follows:
 - the registered domicile of the Swiss branch office of the *insurer*;
 - with jurisdiction at the residence or domicile of the *insured person* and/or legitimate claimant under civil law in Switzerland.
- 6.2 The place of jurisdiction for claims brought by the *insurer* is the *place of residence* of the *insured person* pursuant to civil law.
- 6.3 Mandatory place of jurisdiction provisions remain reserved in all cases.

7 How should the insurer be informed?

What applies when a change of address occurs?

- 7.1 All notifications or declarations intended for the *insurer* must be made in writing (e.g. letter, fax, e-mail). They must be sent to the contact address of the *insurer* specified on page 7.
- 7.2 If neither the *insurer* nor the *issuer* have been notified of a change of address, then it shall be sufficient on their part to send any declaration of intent by registered letter to the last address known to the *insurer*. The declaration becomes effective on the date it would have been delivered under normal conditions if the address had not been changed.

8 What applies in the event of amendments of the insurance terms and conditions?

Amendments of these terms and conditions and of the insurance sums may be agreed by the *insurer* and by the *issuer* (as the policyholder). These shall be reported to the *principal cardholder* in good time and in a suitable manner. They shall be deemed to have been approved by him, insofar as the *card* is not terminated before the amendment comes into force.

No obligation to inform the *principal cardholder* shall exist in respect of amendments of the terms and conditions that do not have a detrimental effect on the insured parties.

9 Which legal system is applicable?

This contract is governed by Swiss law. The provisions of the Swiss Insurance Contract Act [Bundesgesetz über den Versicherungsvertrag – ("VVVG")] remain reserved, insofar as its mandatory regulations have not been amended in these *GCI*.

- 10 Ombudsman for private insurance and Suva** The ombudsman for private insurance and Suva is available to *insured persons* as a neutral arbitrator. The ombudsman is only competent to advise and mediate and can therefore make no decision in litigation. This is reserved for the law courts.

11 How does the *insurer* handle personal data?

The *insurer* shall be entitled to process essential data from third parties involved in cases (e.g. the *issuer*) as are necessary to administer the contract and process claims. The *insurer* shall also be authorised to procure all pertinent information necessary from such third parties and to inspect official files as required to administer the contract and to process claims. The *insurer* shall undertake to treat all such information confidentially. Data will be stored physically and/or electronically.

If required, data shall be passed on to third parties, namely to *co-insurers* or reinsurers and to other involved insurers, to service providers, the *issuer* as well as the insurers in Switzerland and abroad. In addition, information may be passed on to other liable third parties and their liability *insurers* to assist in the enforcement of claims for recourse.

The *insurer* is authorised to inform third parties (specifically the responsible authorities, official agencies and the *issuer*), to whom insurance was confirmed of the suspension, alteration or cessation of the insurance, and of the refusal to pay a claim.

IV. Special Conditions of Insurance (SC)

IV.) A. Transport Accident Insurance

1 What is insured and when does cover apply?

1.1 Scope of the insurance cover

Insured persons shall be covered for *accidents* that occur while using *public transport* (incl. alighting and disembarking) in accordance with the following provisions, insofar as at least 50% of the cost of the utilised *public transport* was paid before the commencement of the journey with the *card*.

Insurance cover exists for the purpose of starting or ending a journey paid with the *card* as a passenger in *public transport* on a direct and uninterrupted route to and from an airport, seaport or railway station, irrespective of whether the use of this *public transport* was paid for with this *card*.

2 What benefit types are provided?

2.1 Disability benefits

2.1.1 Conditions of eligibility for the benefit:

If, as the result of an *accident*, a probable irreversible disability (permanent impairment of physical or mental capacity) occurs within 5 years.

If, as a result of injury sustained in the *accident*, the *insured person* dies within one year of the date of the *accident*, there shall be no entitlement to disability benefits. In such event, the death benefit described in Fig. A 2.2 shall apply.

2.1.2 Nature and level of benefit:

Disability benefit shall be paid out as a capital sum. The benefit shall be calculated on the basis of the *insured sums* as indicated in the table of benefits and the degree of disability caused by the *accident*. The following degrees of disability shall apply exclusively in the event of the loss or total functional impairment of the parts of the body or sensory organs indicated below:

• Arm	70%
• Arm to above the elbow joint	65%
• Arm to below the elbow joint	60%
• Hand	55%
• Thumb	20%
• Index finger	10%
• Other finger	5%
• Leg	
– above the middle of the upper leg	70%
– to the middle of the upper leg	60%
– to below the knee	50%
– to the middle of the lower leg	45%
• Foot	40%
• Big toe	5%
• Other toes	2%
• Eye	50%
• Hearing in one ear	30%
• Sense of smell	10%
• Sense of taste	5%

In the event of partial loss or partial impairment, the corresponding portion of the respective aforementioned percentage shall be applicable.

For any other parts of the body or sensory organs, the degree of disability shall be measured by the extent of overall impairment to normal physical or mental functioning. Such calculation shall be based solely on medical factors; no account shall be taken of the *insured person's* earning capacity (occupation or business activity) or any actual reduction in income.

If physical or sensory organs or their functions were already wholly or partially lost or impaired, or if they were already incapable of movement or function before the *accident*, then when determining the degree of disability (and not when calculating the disability capital) the already existing degree of disability determined in accordance with the above principles shall be deducted.

If the *accident* results in the impairment of several physical or sensory functions, the degrees of disability calculated in accordance with the foregoing provisions shall be added together. More than 100 percent is not considered, however.

The degree of disability shall initially be assessed on the basis of any condition of the *insured person* deemed likely to be permanent, but within five years of the *accident* at the latest.

If the death of the *insured person* occurs within one year of the *accident* for a reason unrelated to the *accident*, or more than one year of the *accident* irrespective of the cause, and if an entitlement to

disability benefit that had been established, the *insurer* shall provide the benefit in accordance with the degree of disability that would have been expected on the basis of the medical diagnosis.

2.13 Rendering the disability benefit

- The *insurer* shall assume payment of the medical fees incurred by the *insured person* on which basis a claim is made only if the *insurer* has requested the medical examination.
- Once it is established in principle that disability benefits are payable, the *insurer* shall at the request of the *insured person* make reasonable *advances*.
- Both the *insured person* and the *insurer* shall be entitled to have the degree of disability determined by a physician annually, however, not later than five years after the *accident*.
- This entitlement must be exercised by the *insurer* together with his declaration of his obligation to provide the benefit, and by the *insured person* at the latest three months before the expiry of the deadline.
- Disability benefits shall be paid out as soon as the degree of permanent disability has definitively been medically determined, at the latest 5½ years after the day on which the *accident* occurred.
- If the *insurer* recognises the claim or comes to an agreement with the *insured person* about the basis for payments and the amount to be paid, benefits shall be paid within two weeks if this is permitted by the local regulations of the *country of residence*.
- This obligation is regarded as having been fulfilled on the date the *insurer* transfers the sum involved.
- If official enquiries or criminal proceedings have been initiated against the *insured person* in connection with an *insured event*, the *insurer* can postpone payment until a final decision is made in these proceedings.
- The statutory limitation period (Section 5 GCI) shall be suspended from the opening of the official or criminal investigation until its final and binding conclusion.
- The *insurer* shall pay benefits directly to the *insured person* or, in case of death, to the heirs.

2.2 Death benefits

If the *insured person* dies within one year as a result of the *accident*, the *insured sum* shown in the table of benefits shall be paid.

2.3 Cumulated maximum compensation

If several *insured persons* are injured or killed by one and the same *accident* incident, then in the case of disability benefits pursuant to Fig. A.2.1

the cumulated maximum compensation of CHF 24,000,000 and in the case of death benefits pursuant to Fig. A.2.2 of CHF 12,000,000 as the collective maximum insurance sum for all *cards* issued by the *issuer*. The insurance sums agreed for the individual persons shall be reduced to the same extent, i.e. the insurance sum to be paid out per *insured person* shall be multiplied by the factor resulting from the division of the aforementioned cumulated total compensation by the total insurance sum of all persons who suffered the *accident*

2.4 What is the effect of illness or infirmity?

The *insurer* shall pay out benefits only in respect of the consequences of an *accident*.
