## INSURANCE AGREEMENT

- ✓ I have carefully read and understood the enclosed General Terms and Conditions of Insurance and the information for persons insured under collective insurance. I accept them without reservation, specifically with regards to the sharing of data (Section 10 in the General Terms and Conditions of Insurance). To allow claims to be processed rapidly, I consent to Swisscard AECS GmbH as card issuer (hereinafter: "Issuer") disclosing my personal details to the insurer even before a claim is brought.
- ✓ The monthly premium will be debited directly from my card account.
- ✓ The insurance coverage can be purchased as secondary card benefit. The Issuer brokers applications for the collective insurance agreement between the Issuer and insurer, which are only offered to principal cardholders. In addition, it deals with any administrative work associated with processing the insurance coverage (e.g. managing agreements, collecting premiums, claims administration, statistics). The Issuer is compensated by the insurer for resulting personnel, technical (e.g. IT infrastructure) and any other expenses associated with the brokerage and processing of insurance coverage. The compensation is in line with the usual market remuneration for the provided services. I acknowledge the Issuer's claim to this remuneration paid by the insurer.
- ✓ By signing the insurance agreement, I take out the Cyber Security Insurance in accordance with the General Terms and Conditions of Insurance and the insurance agreement.
