IMPORTANT INFORMATION

- ✓ The insurance covers all mobile phones/smartphones, tablets, notebooks and portable media players of the cardholder and persons living in his/her household. Insurance coverage is provided for devices that are not older than two years. If an old device is replaced with a new one during the term of the insurance, the new device will automatically be covered.
- ✓ All Mobile Insurance is valid for one year. Unless canceled, the policy shall thereafter automatically be renewed for one month each month.
- ✓ The insurer is Allianz Assistance – AWP P&C S.A., Saint-Ouen (Paris), Wallisellen branch (Switzerland).
- ✓ Insurance cover is provided regardless of whether the devices were paid for with the card.

INSURANCE AGREEMENT

- ✓ I have carefully read and understood the enclosed General Terms and Conditions of Insurance and the information for persons insured under collective insurance. I accept them without reservation, in particular as regards the sharing of data (Section III, article 11 in the General Terms and Conditions of Insurance). To allow claims to be processed rapidly, I consent to Swisscard AECS GmbH as card issuer (hereinafter: «Issuer») disclosing my personal details to the insurer before a claim is brought.
- ✓ The monthly premium will be debited directly from my card account.
- ✓ The insurance cover can be purchased as secondary card benefit. The Issuer brokers applications for the collective insurance agreement between the Issuer and the insurer, which are only open to principal cardholders. It also deals with any administrative work associated with processing the insurance cover (e.g. managing agreements, collecting premiums, claims administration, statistics). The Issuer is compensated by the insurer for resulting personnel, technical (e.g. IT infrastructure) and any other expenses associated with the brokerage and processing of insurance cover. The compensation is in line with the usual market remuneration for the services provided. I acknowledge the Issuer's entitlement to this remuneration paid by the insurer.
- ✓ By signing the insurance agreement, I take out All Mobile Insurance in accordance with the Terms and Conditions of Insurance and the insurance agreement.
